

# **MISSISSIPPI'S 10 MOST ENDANGERED HISTORIC PLACES**

## **2009 UNVEILING EVENT CORPORATE SPONSOR LEVELS**

On September 10, 2009 a new **10 MOST ENDANGERED HISTORIC PLACES** list will be announced for the state of Mississippi in Jackson. This will be the seventh **10 MOST** list the Mississippi Heritage Trust has produced. The Unveiling Event is a way to raise awareness about the most critical historic places in need of saving and the perils they are facing. This event attracts people from all over the state to witness the unveiling of the photographic exhibit, participate in the art auction, and enjoy food, drink, and live music. The exhibit is specially produced by Photo Images of Jackson and features photos and information about the places selected for the endangered list. After the unveiling event it will travel the state and be on display at places such as museums, city halls, banks, special events, and more until the next **10 MOST** list is announced in 2011. Help us save Mississippi's endangered historic places for the future by being **10 MOST** Sponsor!
